

Rainwater Harvesting Filters

- * MDPE Filter Box
- * 4" Inlet / Outlets
- * 16" Basket Filter
- * Can be cut to finish with ground level

Ideal Water Filter for

Rainwater Harvesting Systems

Commercial Water Tanks

All Ecosure oil tanks are made from a seamless one piece mould. Design and manufacture is all done in house to ensure our high standards are met. This also gives us the advantage of being able to offer a next day service if required.
