

# ECO710BO

Product description: compact D shaped 710 litre bunded oil tank

## Product Information

Height	Width	Depth	Outlet	Brimful capacity	Fill Point	Weight	Security
1215mm	1000mm	1000mm	1" BSP	770 litres	2" overfill prevention valve	80kg	Lockable lid

### PRODUCT NOTES:

Sizes approximate, owing to shrinkage

- The tank must be sited on a level, fully supporting concrete base, min. 1600mm x 1600mm
- The tank must be installed according to current regulations, taking siting restrictions and base construction into careful consideration. The tank must be installed and inspected annually by a Competent Person. (For more information on Competent Persons, visit [www.competentperson.co.uk](http://www.competentperson.co.uk)) Failure to comply with these requirements will invalidate the warranty.

### PRODUCT DETAILS:

- Suitable for the storage of Kerosene (C1/C2), Fuel Oil (A2) and GasOil/Diesel (D) as defined in BS2869 and BSEN590 including up to 10% biofuel to BSEN14214
- Made from UV stabilised virgin polymer
- Designed and manufactured in the UK
- Bunded oil storage to protect the environment
- 4 ½" inspection cap c/w chain

### OPTIONAL EXTRAS:

- Anti-theft alarm
- Filter valve pack
- Electronic level gauge
- Bund alarm
- Tigerloop and Tigerloop kit
- Spill kit
- Fire valves
- Qual oil pipe
- Top outlet
